Quick Start Guide - Easy Mode

Goal

Be the first player to get rid of all the cards in your hand.

Setup

Shuffle all cards and deal 8 to each player.
Place remaining cards face down as the Draw Pile.
Flip one card face up to start the Discard Pile.
Player to the left of the dealer goes first. Play moves clockwise.

How To Play

Play one matching card on your turn (match by note, symbol, rhythm, color, or number).
If you cannot play, draw one card. If it matches, you may play it.
Turn passes to the next player.

Wild Cards

Treasure Deck, Gold Share, and Joy Cards are wild and match any card.
In Easy Mode, place these cards directly in the Discard Pile.
Challenges on these cards are optional in this mode.

Winning

The first player to play all their cards wins the game.

Why Easy Mode

Helps players learn the cards and matching rules quickly.
Prepares players to move on to the full Quarter Match game.
